GFA Community Information Policy

Good Foundations Academy may serve as an information outlet for local community events and services. Approved notices may be posted on the Community Bulletin Board, with an approval stamp from the office.

In general, GFA will not approve notices to be sent home with students or by email. If a number of parents have contacted the office requesting information for a specific event or service, GFA may choose to provide the information to its parent community via email and/or flyers as a service. This determination will be made by the Executive Director or designee, on a case-by-case basis.
