2021-2022 Elementary (K-6) School Fee Schedule

Good Foundations Academy (GFA) is a school serving students in kindergarten through sixth grade. The Utah Constitution prohibits the charging of fees in elementary schools. If a child is in kindergarten through grade six, they cannot be charged for textbooks, classroom equipment or supplies, musical instruments, field trips, assemblies, snacks (other than food provided through the School Lunch Program), or for anything else that takes place or is used during the regular school day.

If you wish to purchase school pictures, yearbooks, or similar items through the school, those costs are not fees and will not be waived. Also, if your student loses or damages school property, the costs of replacement or repair are not fees and need not be waived.
