

Sibling Definition

GFA Board Approved: January 14, 2013

For purposes of priority enrollment at Good Foundations Academy (GFA), the GFA Board of Directors defines “siblings” as dependents of the same parent(s) or legal guardian(s). This may include sisters and brothers, half-sisters and half-brothers, step sisters and step brothers, adopted children and foster children. GFA reserves the right to require documentation of legal guardianship.
