Dear Mr. Koehler:

The Utah State Board of Education in its April 9, 2010 meeting approved the application for a charter of Good Foundations Academy to begin operation in the 2010-2011 school year, serving grades K-6 with a maximum allowable enrollment of:

2010-2011	424 students
2011-2012	449 students
2012-2013	474 students
Ultimate enrollment	474 students

As part of the approval, the committee recommended that the Utah State Office of Education specify a timeline for your lottery, which you have received via email. We congratulate and commend you for the countless hours you have spent in pursuit of creating this charter school.

As a charter school, Good Foundations Academy is now a part of the Utah public school system and is held to the same standards as other public schools. We are committed to helping you be successful. If you have any questions or concerns, Marlies Burns is the director for charter schools and would be the contact person. She can be reached at 801-538-7817 or through email at marlies.burns@schools.utah.gov.

Again, congratulations on receiving a charter. We wish you and your students the utmost success.

Sincerely,

Debra G. Roberts
Board Chairman
