## Closing Out the 2020 School Year

Dear Parents,

I have gotten a number of questions in regard to how the end of the school year looks for students and parents. This is that explanation.

In the past, teachers made all assignments due by the Friday before the last week of school. This allowed them to send home “end of the year” / “summer” packets with the students by the last day of school. This year, because May 21<sup>st</sup> is the last day of the school year for students, and because we want to give you until that day to hand in any remaining packets, those packets will not be available to pick up until Wednesday, May 27<sup>th</sup> at the school.

Any questions regarding specific assignments or expectations should be addressed with your child’s classroom teacher.

We appreciate your hard work and patience during this difficult time, and wish you the very best for this summer. As frustrating as 4<sup>th</sup> quarter was, our GFA students were still able to access significant instruction during this crisis. I believe this is a testament to the resilience and character of our parents, students, teachers and staff.

While this is the last week of school, the GFA staff will continue to be available to you over the summer.

This is my last year at GFA. It has been a privilege to work with you. GFA has some of the best students, parents, teachers and staff I have ever met in my 30-year career in education. I will miss you.

Again, it was a privilege and pleasure to work with you this year.

Best of Luck this Summer,

David G. Dau  
Executive Director  
Good Foundations Academy
