Once a year, GFA is required to notify/remind parents about GFA's policies and practices regarding takes the Family Educational Rights and Privacy Act (FERPA).

GFA takes the security of our students very seriously. All student data utilized by Good Foundations Academy is protected as defined by FERPA and Utah statute. Those policies outline the way Good Foundations Academy staff is to utilize data and protect personally identifiable and confidential information.

Details of those practices can be found on in our GOOD FOUNDATIONS ACADEMY DATA GOVERNANCE PLAN. This plan can be found on our website at:

If you have any questions or concerns in regard to these policies, please contact GFA at: askgfa@gfautah.org

If you like a physical copy of this policy, just ask us at the front desk in the main office and we can print one for you.
