Dear GFA Families,

It is hard to believe that we are a fourth of the way through the school year and the second quarter is upon us. We are very pleased and excited with what we have accomplished this quarter. By this time of the school year, teachers have cultivated strong relationships with their students. They know their strengths, they have identified how their students learn best, and they understand the individual learning needs of each child in their classroom. It is our hope your student is feeling connected and comfortable with their new class group too!

As we wrap up the first quarter, I want to take a moment to express my heartfelt gratitude to all who make Good Foundations Academy an amazing place to be. I can't thank you, the parents, enough for your endless hours of volunteering, organizing, donating, chaperoning, and doing whatever is necessary to support GFA. As usual, the Guardian Committee went above and beyond the call of duty in organizing our annual fundraiser which brought in almost \$30,000.00. Our annual trunk or treat event was also a great success. We are so fortunate to have parents that are willing to add to our students' already rich school experience.

During the next two weeks, teachers will be preparing for parent-teacher conferences. Parent-teacher conferences will be held the week of October 25th. Conferences are an opportunity for you to speak with your child's teacher about their academic progress and receive your child's first quarter report card. Parent-Teacher Conference is also an important opportunity for teachers to hear from you about how you feel your child is doing academically, socially, and emotionally. Our goal is to have 100% of our parents attend parent-teacher conferences. Don't miss this very important opportunity to discuss your child's overall performance and learn how you can assist and support your child at home.

Please take note of the upcoming events:

October 12, 2021: End of 1st quarter. All 1st quarter assignments should be completed and turned in for grading.

October 13, 2021: Professional Development Day for teachers (No School)

October 14 and 15: Fall Break (No School)

October 25-29: Parent Teacher Conferences. Please be watching for information on how to sign-up for conferences.

Good Foundations Academy is an extraordinary school. I offer my sincere appreciation and thanks for assisting us in creating an environment where kids can learn and achieve! We thank you for your partnership, and we thank you for sharing your children with us.

Warmest regards,

Lisa Erwin
