GFA Parent Letter - April 10, 2020

Dear Parents,

I hope you are all hanging in there. It has been another busy week adjusting to our new reality. Office hours for the week of April 13 – 17 will be 10 a.m. to 1 p.m. The Main Office will also be open from 4 p.m. to 6 p.m. on Monday and Tuesday only. Please remember that this is subject to change if the state or federal government restricts human movement further. It is during these times that we can hand out packets, accept completed packets, or hand out lunches that have been ordered.

We are still providing school lunch for those who request them. We will provide sack lunches for the entire week on Monday during office hours. If you would like to order school lunch, please contact the school by 8:30 a.m. at **801-393-2950** or email gfalunchorder@gfautah.org.

A number of parents have enquired about the possibility of checking out a Chromebook. After much deliberation, we have decided to give that option to GFA families. While we don't have enough Chromebooks to check one out to every family, we can check out some of what we have. Go to our GFA website for the Chromebook Checkout Agreement if you are interested. In conjunction with filling out the form, we are asking you to register on line for an appointment to check out the Chromebook. This will enable us to check out the devices in such a way that we can help maintain recommended social distance. Instructions for setting the appointment and completing the form can be found on the form. We are hoping to start checking out devices as early as Tuesday, April 14th. There are some conditions to checking out a Chromebook. Those conditions are covered in the agreement.

This is how things look for the next week. I hope your family is healthy and happy.

Until next time,

Dave Dau
