Dear Parents,

It has been an exciting Spring! On March 9th we were delighted by the GFA Musical. We were amazed by the creative costumes, beautiful singing and exciting choreography. Then, just one week later, we celebrated the Art Festival. What a spectacle! The creativity and hard work of everyone involved was truly above and beyond expectations. GFA students are truly getting access to an amazing educational experience.

Spring weather is pretty unpredictable. We have been encouraging the students to bring jackets or sweaters, even if the weather seems nice in the morning. We have all heard the saying, "March comes in like a lion and goes out like a lamb." What we sometimes forget is that sometimes it goes back to being a lion several times before the transformation is complete.

Morning drop off has been going really well this Spring. We would ask you to avoid texting while you are driving through the parking lot. I have had a couple of very close calls at the crosswalk! Also, feel free to hug goodbye after you stop. A few adults have driven up onto the sidewalk while saying their goodbyes. While this is very exciting, we should probably avoid it. However, as I said, most mornings have been awesome!

Spring Break starts March 31st. Students return on April 9th. Things happen pretty fast after we get back. Be sure to check the school calendar on our web page to keep on top of things.

As some of you know, we have had a few changes in the lower grade Special Education program. Mrs. Ross has decided to leave GFA. She will be missed. To cover her position for the rest of the year, we have hired Catherine Adair. She has over 10 years of experience in Special Education and we feel very lucky to have her with us. She will be available to meet with parents at the Parent University this month.

Parent University will take place on March 29th. Meet and greet will run from 5:30 to 6:00. We will be serving pizza, chips and other yummy treats. Starting at 6:00, our breakouts will include Special Education Topics, Handwriting, Accessing Library Resources, and Typing Club. We hope to see you there!

That's it for now. Thanks for everything you do for our kids!

Sincerely,

Dave Dau
Executive Director
