Dear GFA Parents,

At Good Foundations Academy, we are proud of the school atmosphere we have created to challenge our students and to meet their individual needs. We strive to create a learning climate that builds knowledge, character and academic excellence. Our vision for Good Foundations Academy is to give children the tools necessary to achieve their dreams for who they want to be in this world.

We are always seeking ways to let families both near and far know about our great school community. This year we have created signs to be placed in individual yards to let area residents know that Good Foundations Academy is a local charter school that encourages student achievement and strong character. If you are willing to place a sign in your yard, please let your child's teacher know at pick-up today and you will be given a sign. Each family will be given one sign.

We appreciate your commitment to ensuring that Good Foundations Academy remains a celebrated and successful school. We love our GFA families! Thank you!

Sincerely,

Lisa Erwin  
Executive Director
